

Measures Initiated by the Institution for the promotion of gender equality

Women's Cell

From its inception Rammohan College has taken massive strides towards empowering women through education. It is not only the CU syllabus that covers myriad issues like gender equality, gendered division of labour and feminist theories, but more importantly it is outside the boundaries of classrooms that these issues are discussed and debated in various talks and seminars. Concepts of feminism and gender equality are also disseminated through drama, skits and other cultural expressions. These programmes are organized by the departments, Women's Cell and Internal Complaints Committee (ICC) in joint collaboration with the Internal Quality Assurance Cell (IQAC).

Ensuring that the campus is free from sexual harassment the college has instituted the Internal Complaints Committee which looks into any complaint from students, faculty and staff. There is also a Women's Cell which carries out various gender awareness programmes in the campus in association with the ICC and IQAC in line with the Saksham UGC guidelines. Internal Gender Audit has been conducted between 2018 to 2022 and External Gender Audit in 2022-2023. The college has also instituted a Psychological Counselling Cell where the students and faculty both can visit the counsellor and talk about their problems like early marriage, gender discrimination at home and various other issues. Thus the college has taken every possible steps to create gender awareness among all the stake holders at the Institution like students, faculty and staff. The college is proud to announce that no complaint has yet been lodged about ragging, discrimination and sexual harassment.

The National Service Scheme (NSS) in collaboration with the Women's Cell and ICC has also contributed towards women's empowerment through various seminars and workshops. All the three bodies have organized several health check-ups and organized talks on women-specific diseases. Initiatives were taken to spread awareness about women's health and hygiene – issues beyond the college boundaries in nearby slum areas.

Important commemorative days are celebrated related to the institution's thrust area, which is women's education and empowerment. The pioneering efforts of Raja Rammohan Roy, for women's education are celebrated every year on his birth anniversary on 22nd May. On this occasion notable educationists are invited to give the commemorative lecture. Another stalwart of youth power and youth endeavour – Vivekananda's birth anniversary is commemorated every year on the 12th of January. Republic Day, the International Day of Yoga and NSS Day are also celebrated every year. International Women's Day on 8th March is celebrated every year through lectures and other cultural functions, sometimes with colleges with whom MOUs have been signed. The International

Girl Child Day is commemorated every year on the 11th of October. These two programmes are also organized by the College's Women's Cell and ICC. Needless to say all these programmes are held always in collaboration with the IQAC of our college.

Women's Cell (July 2022-June 2025) –

Joint Conveners

1. Prof. Uttama Ray
2. Prof. Kakali Chatterjee

COMMEMORATIVE DAYS

1. Swami Vivekananda birth anniversary.

This day is commemorated on 12th January every year to mark Swami Vivekananda's contribution in the development of the nation's youth. On this day our students take out a procession to Vivekananda's ancestral home. A lecture is also held by eminent personalities.

2. International Working Women's Day.

This day is observed on the 8th of March annually to commemorate the struggles and the achievements of women all over the world. The celebration of this day in our college is of special significance as ours is a women's college. Various programs held on this day throughout the years help our students to become gender conscious and grow as confident women.

3. Raja Rammohan Roy's birth and death anniversary.

The harbinger of modernism in India and the pioneer in the field of women's education and empowerment, Raja Rammohan Roy's birth anniversary is commemorated every year on 22nd May. This anniversary is generally celebrated in a program with Brahmo devotional songs and a lecture either on his work or on any gender related topic by eminent personalities. The college solemnly observes the death Anniversary through a program of devotional songs written by Raja Rammohan Roy and other Brahmo Samaj reformers.

4. International Girl Child Day.

The day is observed every year on 11th of October. On this day lectures are held on specific issues related to the girl child. This makes our students aware of the role and responsibility of society towards them.
